

### **Basic Information :**

**Name :** Mohamed Abolella Abdellatif Gaber

**Title :** Professor

Mohamed Abul Ela Abd El Latif  
Born on September 6, 1967

### **Education :**

Certificate	Major	University	Year
PhD	Mechanical Engineering	Okayama University - Japan	1998
Masters	Mechanical Engineering	Ain Shams - Egypt	1993
Bachelor	Mechanical Engineering	Ain Shams - Egypt	1989

### **Teaching Experience :**

Name Of Organization	Position	From Date	To Date
Egypt-Japan University for Science and Technology	Associate professor and acting chairman	01/01/2009	01/01/2013
Qatar University	Associate professor	01/01/2002	01/01/2008
Ain Shams University	Associate professor	01/01/1998	01/01/2009

### **Research :**

Stability Verification For Bilateral Tele-operation System with Variable Time Delay

System Design Considerations for Autonomous Wall PAinting Robot

Development Of Roller Based Interior Wall Painting Robot

Development of a Video Rate Range Finder by Processing RGB Signals from Binocular CCD Color Cameras

Navigation of an Autonomous Vehicle using Stereo Camera Range Finder

A color imaging system, "Nose Camera" System

### **Awards :**

Award	Donor	Date
Excellence in Academic Achievement	Future University in Egypt	01/01/2015
Best Reviewer award	International Journal of advanced robotic systems	01/01/2015
Best Research Award	Ain Shams University	01/01/2002
Research Scholarship	Government of Japan	01/01/1995
Distinguished Student Award	Ain Shams University	01/01/1989
