

### Basic Information :

**Name :** Ossama Mohamed Salaheldin Hassan Nasser  
**Title :** Professor

Dr.ossama Nasser is a professor of engineering physics at future university . he received his master and his doctor engineer title from paul Sabatier université - Talouse, France in 1980. after 13 years of research and academic teaching he obtained his title as profrrsor of engineering physics. during his years of performance at the military technical college, he was an officer in the egyptian army, and was transfered into general on pension at the year of 1993. for the three next years, he was appointed at the international atomic energy agency in vienna, as international Scientific Expert, then come back to egypt and was engaged as professor of physics in different private universities in cairo. he is engaged for teching physics in FUE as a professor of physics since 2007.

### Education :

Certificate	Major	University	Year
PhD	Electronic	University Paul Sabatier - France	1980
Diploma	Electronic	Paul Sabatier - France	1978
Masters	Physics & Math	Military technical College	1973
Bachelor	Physics	Alexandria - Egypt	1967

### Teaching Experience :

Name Of Organization	Position	From Date	To Date
French University of Egypt	Dean Faculty of Engineer	01/01/2004	07/05/2014

### Research :

Backbending Phenomena in Even-Mass Gd Isotopes

### Conference :

none

### Awards :

Award	Donor	Date
Long Service Medal well	Armed Forces	01/01/1993
Medal of Duty	Armed Forces	01/01/1990
Training Award	Armed Forces	01/01/1972
