Title : Dean Faculty of Pharmaceutical Sciences and Pharmaceutical Industries

Professor S. Elkheshen has graduated from Faculty of Pharmacy at Cairo University on may 1981 with Honor and had her Ph.D in Pharmaceutics through a "Peace Fellowship" from the American government in collaboration between Faculty of Pharmacy, Cairo University, Egypt and College of Pharmacy, State University of Rhode Island, USA. Prof. Elkheshen has established and delivered many Pharmaceutical Courses for under and postgraduate students in several governmental and nongovernmental universities including Cairo University, Ain Shams University, King Saud University, MIU, GUC and FUE. She supervised more than 20 MSc and PhD students and published over 40 research articles in the field of Pharmaceutics and Pharmaceutical technology in national and international journals and conferences. Prof. Elkheshen occupied many administrative positions the two most recent ones being associate dean for education and student affairs at faculty of Pharmacy, Cairo University and recently, dean of Faculty of Pharmaceutical Sciences and Pharmaceutical Industries. During these periods she helped in establishing a total quality assurance system for good education procedures in both faculties which helped FOPCU to get accreditation by NAQAAE.
