**Public Opinion**

**Information :**

**Course Code :** PMM 202      **Level :** Undergraduate      **Course Hours :** 3.00- Hours

**Department :** Department of Public Administration

**Instructor Information :**

Title	Name	Office hours
Lecturer	RASHA AHMED ELFAROUK MOHAMED ELIBIARY	

**Area Of Study :**

This course introduces students to the nexus of shaping, measuring and utilizing public opinion. It lays out the process how public opinion is shaped through media and other tools; how to measure public opinion through crafting the questions, picking the samples, conducting the poll, analyzing the results, and drafting the final report; and, in addition, the influence that public opinion might have on the decision making process and the policy makers. Agenda setting, framing and branding are also covered as well as the ethical principles and issues of performance that must be perceived.

**Course Goals:**

- Define the basic concepts of public opinion
- Explain theories of public opinion formation
- Compare public opinion research techniques
- Analyze historical and contemporary political scenes
- Analyze the effect of media forms on public opinion
- Investigate how public opinion is expressed in different public spheres, how it affected by culture, and how it impacts the governance
- Examine forces that shape public attitudes
- Create a culture of working in teamwork
- Examine how public opinion is affected by culture
- Analyze how public opinion impacts the governance
