Basic Information :

Name :	Amira Sayed
Title :	Assistant Professor

Amira Sayed A. Aziz is a researcher and an academic member in the Information Technology field. Dr. Amira is a lecturer in Faculty of computers and Information Technology, Future University in Egypt (FUE). She received her B.Sc., M.Sc., and Ph.D. from Faculty of Computers and Information . Ánformation Technology department, Cairo University. Her research interests are Network Security, specifically Intrusion Detection Systems, Machine Learning, Artificial Immune Systems, Internet of Things and Big Data Analytics.

Education:

Certificate	Major	University	Year
PhD			2014
Masters			2008
Bachelor	Information Technology		2000

Teaching Experience:

Name Of Organization	Position	From Date	To Date
FUE	Teaching Staff Member	01/09/2016	Current
W∅ÒÁ̧W̧ ã̧^¦• ã:.Á̸Ø a̶8a̶æ̃^Á̧a̧Ċ*ˆ] c̃^D	Assistant Professor	01/01/2014	01/01/2016
W∅ÒÁ̧W̧ ã̧^¦• ã:.Á̸Ø a̶8a̶æ̃^Á̧a̧Ċ*ˆ] c̃^D	Teaching Assistant	01/01/2008	01/01/2014
ITInc. (Information Technology Incorporation)	Java Instructor	01/01/2004	01/01/2008

Researches / Publications :

Comparison of classification techniques applied for network intrusion detection and classification

Comparison of classification techniques applied foe network intrusion detection and classification

Chapter :

Cloud Computing Forensic Analysis: Trends and Challenges
