

Basic Information :

Name : Abdel Monem Abdel Hamid Ahmed Seif

Title : Professors

Dr. Abdel Monem Seif is a professor of Control Systems at Faculty of Engineering Cairo University. He received his Ph.D. from Paul Sabatier University, Toulouse, France 1978. His Ph.D. entitled) "Classification of Solid Objects using Fuzzy Correlations - Applications in Robotics". In addition to teaching at Cairo University Dr. Seif is interested also of research in the area of Fuzzy Control Systems, Robotics, Artificial intelligent, Parameter and State Estimation, Adaptive Control and Learning Control. Dr. Seif have been worked as Expert for Telecontrol & Telecommunication Systems at Saudi Arabia, Electricity Corporation, Design Department From:1994 to 2001.

Education :

Certificate	Major	University	Year
PhD	Electrical Engineering	Paul Sabatier, France	1978
Masters	Electrical Engineering	Cairo University	1975

Teaching Experience :

Name Of Organization	Position	From Date	To Date
FUE	Visiting Professor, Mechatronics Department	01/01/2013	01/01/2014
Monrovia University, Liberia	Visiting Professor	01/01/1987	01/01/1990

Research :

Comparison between PD & Fuzzy Logic Controllers

Robust Robotic Manipulator Control

Awards :

Award	Donor	Date
Research Fellowship	MIT-CU (USA-Egypt)	01/01/1984
Research Fellowship	LAS - CNRS France	01/01/1978
