

Basic Information :

Name : Ahmed Hassan Ahmed Ghalab

Title : Professor

Ahmed Hassan Ghallab
Born on June 15th, 1968

Education :

Certificate	Major	University	Year
PhD	Structural Engineering	University Of Leeds	2001
Masters	Structural Engineering	Ain Shams	1995

Teaching Experience :

Name Of Organization	Position	From Date	To Date
Engineering Consultants Group (ECG)	Structural Technical Review Member	01/01/2014	01/01/2014
Ain Shams University	Professor, Concrete Structures	01/01/2013	01/01/2014
ECG	Leader	01/01/2008	01/01/2014

Research :

Behaviour of RC Deep Beams under Torsion Loads

Parafil Rope as External Prestressing

Strengthening Prestressed Beams using Parafil Ropes as External Tendons

Awards :

Award	Donor	Date
Prize of Prof Mohamed El Hashemy	Academy of Scientific Research & Technology	01/01/2008
Bibliotecha Alexandria Research Grants in Engineering Sciences & Technologies	Bibliotecha Alexandria	01/01/2005
