

Basic Information :

Name : Ahmed Mohamed Ali Ashour

Title : Lecturer

Ph.D. in Physics Otto von Guericke University, Magdeburg Germany.

M.Sc. in Physics, Faculty of Science, Ain Shams University.

B.Sc. in Physics, Faculty of Science, Ain Shams University.

Education :

Certificate	Major	University	Year
PhD	Philosophy in Science (Experimental Physics)	Magdebuarg University - Germany	2018
Masters	Science - Physics	Ain shams University - Faculty Of Science	2011
Bachelor	Science - Physics	Ain shams - Egypt	2006

Teaching Experience :

Name Of Organization	Position	From Date	To Date
المعهد التكنولوجي العالي العاشر من رمضان	المعهد التكنولوجي العالي العاشر من رمضان	01/01/2006	01/01/2008

Research :

Birefringence dispersion in uniaxial material irradiated by gamma rays cellulose triacetate films

Analysis of Surface Roughness Using Laser Optical Imaging Techniques

Silo outflow of soft frictionless spheres

Flow of anisometric particles in a quasi-two-dimensional hopper

Outflow and clogging of shape-anisotropic grains in hoppers with small apertures

Linking bottleneck clogging with flow kinematics in granular materials: The role of silo width

Elongated grains in a hopper
