

### **Basic Information :**

**Name :** Amr Osman Mohamed Osman Habib

**Title :** Lecturer

Amr Osman Mohamed Osman Habib  
Assistant Prof. of Physical & Applied Chemistry  
Faculty of Engineering, Ain Shams University

### **Education :**

Certificate	Major	University	Year
PhD	Physical & Applied Chemistry	Ain shams university	2004
Masters	Physical & Applied Chemistry	Ain Shams University	2001
Bachelor	Chemistry	Ain Shams University	1997

### **Teaching Experience :**

Name Of Organization	Position	From Date	To Date
Ain Shams	Assistant Prof. of Physical & Applied Chemistry	01/01/2004	01/01/2014
Ain Shams	Associate Lecturer	01/01/2001	01/01/2004
Ain Shams	Demonstrator	01/01/1997	01/01/2001

### **Research :**

Hydrothermal Characteristics of high slag cement pastes made with and without silica sand

Influence of some low formaldehyde superplasticizers on the rheological & mechanical properties of cement
