

Basic Information :

Name : Ehab Fattouh
Title : Associate Professor

January, 2009
Associate Professor, Irrigation and Hydraulics Department,
Ain Shams University.

October, 2000
Lecturer Civil Engineering, Irrigation and Hydraulics Department,
Ain Shams University.

August, 2000
Ph.D. in Civil Engineering (Irrigation and Hydraulics Department),
Ain Shams University. Thesis Title: " Groundwater pollution in Multilayer Aquifer".

December, 1994
Assistant Lecturer in Irrigation and Hydraulics Department,
Ain Shams University.

October, 1994
M.Sc. degree in Civil Engineering (Irrigation and Hydraulics Department),
Ain Shams University. Thesis Title: " Groundwater pollution".

December, 1991
Demonstrator in Civil Engineering (Irrigation and Hydraulics Department),
Ain Shams University.

July, 1991
B.Sc. degree in Civil Engineering (Irrigation and Hydraulics Department),
Ain Shams University with Distinction with Honor.

Education :

Certificate	Major	University	Year
PhD	Irrigation	Ain Shams	2000
Masters	Irrigation	Ain Shams	1994
Bachelor of Science	Irrigation & Hydraulic Structures	Ain Shams	1991

Teaching Experience :

Name Of Organization	Position	From Date	To Date
Faculty Of Engineering, Ain Shams University	Associate Professor	01/01/2008	01/01/2014
Faculty of Engineering, Ain Shams University	Assistant Professor	01/01/2000	01/01/2008

Research :

Water REsources Characteristics in East The Tenth of Ramadan Area
Nile River Morphology Expected Changes Due to Abnormal Flows
Effect Of Valve Location and Its Closure Schedule on Eater HAMmer Pressure
