

Basic Information :

Name : Ibrahim Mahmoud Mahdi Mostafa
Title : Professor

Ibrahim Mahmoud Mahdy Mostafa

Dr. I. Mahdi is Associate Professor of Project Management at the Future University Egypt. He received his Ph.D. from University of Southampton, England UK. Dr. Mahdi has over 27 years of work experience in education and practicing project management including Planning, Cost and Project Control. He has experience of educational work in different countries such as Egypt, Kuwait, UK and UAE as a demonstrator, lecturer assistant and lecturer. He participated by more than 14 papers in different international journals and conferences. He has been responsible for many assignments of highly technical projects. His experience include: Preparing and analyzing tenders packages; making consultant and contractor recommendations, managing contracts; and finally, supervising the construction to insure quality and schedule requirements are met.

Education :

Certificate	Major	University	Year
PhD	Civil Engineering	Southampton - England- Faculty Of Engineering	2001
Masters	Civil Engineering	Zagazig - Egypt	1990
Bachelor	Civil Engineering	Zagazig - Egypt	1985

Teaching Experience :

Name Of Organization	Position	From Date	To Date
Russia University	Egyptian Russia University	01/01/2011	01/05/2014
College of Engineering, Kuwait Univ.	Teaching Work	01/01/2001	01/01/2004
