

Basic Information :

Name : Mohamed Awad Bahr Osman
Title : Professor

Mohamed Awad Bahr
Professor, Faculty Of Engineering
Al Azhar University

Education :

Certificate	Major	University	Year
PhD	Civil Engineering	Osaka University, JApan	1991
Masters	Civil Engineering	Al Azhar	1982
Bachelor	Civil Engineering	Al Azhar	1977

Teaching Experience :

Name Of Organization	Position	From Date	To Date
King Saud University, Saudi Arabia	Associate Professor	01/01/1999	01/01/2004
Al Azhar University	Associate Professor	01/01/1998	01/01/2004

Research :

Three Dimensional Finite Element Analyses for a Laterally Loaded Pile Wall in AMrine Environment - Case History
Failure Assesmnet of water Canal Embarkments in Different Soil Conditions
Utilization of Wast Soil as MAterial Resource in Road Construction Application
Effect of Mixing Dune Sand on the Behaviour of Salty Clay Soils According to AASHTTO Classification
