Basic Information :

Name :	Samer Mohamed
Title :	Associate Professor

EDUCATION:
1998 Ain shams University - Cairo - Egypt
B.Sc. of Computer and systems engineering
☐ Grade: Very good (83.6%) with honors.
☐ Rank: 7th place among all students in the faculty.
GPA: 3.5/4
2005 Ain shams University - Cairo - Egypt
Master of computer engineering in C_based high level synthesis using systemC
2009 Ain shams University - Cairo - Egypt
PHD of computer engineering in
Software release management : a value-oriented approach

Education :

Certificate	Major	University	Year
PhD	Computer and systems engineeing	Ain Shams	2009
Masters	Computer and system engineering	Ain Shams	2005
Bachelor	Computer and system engineering	Ain Shams	1998

Research :

"Towards Value-Oriented Requirements Prioritization for Software Product Management "

"Hybrid-based maintainability impact analysis for evolving systems "

"Criteria-based framework for software product management "

"Hybrid-based maintainability impact analysis for evolving systems "

Towards Value-Oriented Requirements Prioritization for Software Product Management

Hybrid-based maintainability impact analysis for evolving systems

Criteria-based framework for software product management

Hybrid-based maintainability impact analysis for evolving systems

Criteria-Based Requirements Prioritization for Software Product Management

Towards Value-Oriented Requirements Prioritization for Software Product Management

Towards criteria-based requirements prioritization for software product management

Maintainability-based impact analysis for software product management

Value estimation forsoftware product management

Supporting value-based requirements prioritization for evolving systems

Conference :

international conference on software engineering research

IEEE conference on software engineering research, management and applications, Prague, Czech Republic.

http://www.fue.edu.eg

IEEE conference on software engineering, artificial intelligence, networking and parallel/distributed computing
IEEE conference on Information, Process and Knowledge Management
IEEE conference on Industrial engineering and engineering management
international conference on software engineering, advances

Awards :

Award	Donor	Date
PMP certified	PMP	01/01/2005
Microsoft certified professional	Microsoft	01/01/1999

http://www.fue.edu.eg
