

## Faculty of Economics and Political Science

### Public Finance

#### Information :

**Course Code :** ECO 301

**Level :** Undergraduate

**Course Hours :** 3.00- Hours

**Department :** Department of Public Administration

#### Instructor Information :

Title	Name	Office hours
Associate Professor	Abeer Mohamed Ibrahim Rashdan	

#### Area Of Study :

This course mainly focuses on the interactions of economic sectors in the mixed economy, and the circular flow between them. It pinpoints government as well as individuals' activities. Markets, externalities and efficiency concepts are to be clarified. It deals with positive and normative economics, the provision of public and private goods, public choices, taxation policies and subsidies, highlighting the tradeoff between efficiency and equity as well as the distribution of income.

#### Course Goals:

- Comprehend the perspective of the government activities and taxation policies.
- Deeper insight on how to recognize and analyze different contexts of fiscal policies.
- Understand the performance and evaluation systems for public sector institutions.

#### Description :

This course mainly focuses on the interactions of economic sectors in the mixed economy, and the circular flow between them. It pinpoints government as well as individuals' activities. Markets, externalities and efficiency concepts are to be clarified. It deals with positive and normative economics, the provision of public and private goods, public choices, taxation policies and subsidies, highlighting the tradeoff between efficiency and equity as well as the distribution of income.
