

## Faculty of Engineering & Technology

### Computer Programming

#### Information :

**Course Code :** EED160

**Level :** Undergraduate

**Course Hours :** 2.00- Hours

**Department :** Faculty of Engineering & Technology

#### Instructor Information :

Title	Name	Office hours
Lecturer	Samah Ahmed Zaki Hassan	0
Assistant Lecturer	Mahinda Mahmoud Samy Ahmed Zaki Zidan	
Teaching Assistant	Mona Mohamed Mohamed Ali Almakhton	
Teaching Assistant	Mariam Ali Ibrahim Elsayed	

#### Description :

Structured program development: problem solving decision structure, repetition structures. Topdown and stepwise refinement. Subprograms: Procedures and functions. Structured data types: arrays, structures and classes. Recursion.
