

Faculty of Engineering & Technology

English Pet B1-B2

Information :

Course Code : ENG PET

Level : Undergraduate

Course Hours : 2.00- Hours

Department : University Requirments

Description :

A third tier English language course encompassing the lexical approach which focuses on communication by emphasizing fluency and accuracy through the development of sub-skills strategies for interaction, through speaking and writing. topical and functional lexis provide the reference by which language is introduced and recycled within clear natural contexts. writing is explored through a range of texts, by understanding genre-specific conventions, and developing confidence by planning and discussions by applying both processes and product approaches.
