

**Faculty of Economics and Political Science**  
**Public Projects Management and Organization**

**Information :**

**Course Code :** PAD 400      **Level :** Undergraduate      **Course Hours :** 3.00- Hours

**Department :** Department of Economics

**Instructor Information :**

Title	Name	Office hours
Lecturer	Ghada Abdelwahab Ibrahim Mohamed Gaaly	2

**Area Of Study :**

There are powerful environmental forces contributing to the rapid expansion of project management approaches to problems and opportunities. This course focuses on providing students with the mechanisms and tools for effective project management through its four main phases: defining, planning, executing, and delivering. The course covers a wide range of public project management related topics: public projects selecting and prioritizing, initiation, set-up, design, feasibility studies, economic and fiscal impact, implementation, and evaluation. In addition, the course displays domestic and international cases of public projects for students to apply theory into practice.

**Course Goals:**

- Provide an overview of the role of project manager and his/her interaction with the organization and different teams.
- Establish strong understanding of putting together the different components of a project.
- Cover the major aspects of project control and closure.

**Description :**

There are powerful environmental forces contributing to the rapid expansion of project management approaches to problems and opportunities. This course focuses on providing students with the mechanisms and tools for effective project management through its main four phases: defining, planning, executing, and delivering. The course covers a wide range of public project management related topics: public projects selecting and prioritizing, initiation, set-up, design, feasibility studies, economic and fiscal impact, implementation, and evaluation. In addition, the course displays domestic and international cases of public projects for students to apply theory into practice.
