

Faculty of Pharmacy

Reaction Kinetics and Drug Stability

Information :

Course Code : PHT 421

Level : Undergraduate

Course Hours : 3.00- Hours

Department : Faculty of Pharmacy

Instructor Information :

Title	Name	Office hours
Professor	Dalia Samuel Shaker Kirolos	3
Teaching Assistant	Rinada Hussien Sadek Hassan	2

Description :

Study of kinetics of drug degradation, stability testing and factors affecting stability, shelf and accelerated stability, storage conditions and effect on stability of drugs. Calculation of expiration date.
