

Faculty of Pharmacy
Reaction Kinetics and Drug Stability

Information :

Course Code : PHT 421

Level : Undergraduate

Course Hours : 3.00- Hours

Department : Faculty of Pharmacy

Instructor Information :

Title	Name	Office hours
Lecturer	Enas ElMaghawry Ibrahim Said	4
Teaching Assistant	Fatma Makram Youssif Aboelhassan	
Teaching Assistant	Rawan Waleed Hussein Rashed Salehin	

Description :

Study of kinetics of drug degradation, stability testing and factors affecting stability, shelf and accelerated stability, storage conditions and effect on stability of drugs. Calculation of expiration date.
