

Faculty of Oral & Dental Medicine

Clinical Removable Prosthodontics

Information :

Course Code : PROS 414

Level : Undergraduate

Course Hours : 2.00- Hours

Department : Faculty of Oral & Dental Medicine

Instructor Information :

Title	Name	Office hours
Professor	Hussein Gamil Metwaly Elsharkawy	
Associate Professor	Hossameldin Ibrahim Nassar Mohamed Hassona	
Associate Professor	Hebatalla Mahmoud Hassan Elafandy	
Assistant Lecturer	Sonal Abdel Baseer Abdel Kader Abdel Aziz	
Assistant Lecturer	LINA KHALAF FEKRI MOHAMMED ISMAIL	2
Assistant Lecturer	Medhat Sameh Shehata Abdelaziz	
Teaching Assistant	Diaa Mohamed Farid Mohamed Zahran	

Area Of Study :

The student will be able to Recognize the objectives of partial denture , develop the treatment plane and acquiring skill of management of partially edentulous patient following standardized techniques.

Description :

principle of partial denture design of kennedy classes , mouth preparations , impressions occlusions of partial denture , frame - work try in , partial denture insertions , complians

Course outcomes :

a.Knowledge and Understanding: :

1 -	Describe the different clinical steps for partial dentures Construction.
2 -	recognize objectives of partial denture prosthodontics
3 -	Describe different impression techniques for partially edentulous patient

Course Topic And Contents :

Topic	No. of hours	Lecture	Tutorial / Practical
Overview removable partial denture	4		
Overview removable partial denture	4		
Diagnosis	4		
Mouth preparation	4		
Impression	4		
Principles of partial denture design	4		
Principles of partial denture design	4		
Principles of partial denture design	4		
Jaw relation +waxed up try in	4		
Delivery + relining	4		
Complains	4		

Teaching And Learning Methodologies :

Lectures
Clinical demonstration
Requirement
Assuagements

Course Assessment :

Methods of assessment	Relative weight %	Week No	Assess What
Final Examination	25.00		
Mid-term Examination	30.00		assess knowledge and understanding.
Oral Examination	10.00		
Practical Examination	15.00		assess clinical skills , intellectual and general skills
Semester Work	20.00		

Course Notes :
