Faculty of Engineering & Technology

Human Rights

Information :

Course Code :	PSC 110	**Level** :	Undergraduate	**Course Hours :**	2.00- Hours

Department : University Requirments

Description :

The course examines the conceptual foundation of human rights, the development of human rights framework and multi- disciplinary character of the field as an area of the study. It covers on details the Universal Declaration on Human Rights, the international covenant on economic, social and cultural rights and all related agreements. It will also touch on the state of human rights in Egypt and the Arab world

Course outcomes :

a.Knowledge and Understanding: :

1 -	Recognize the links, contests and conflicts between (largely, but not exclusively, economic) globalization and human rights. (K3)
2 -	Identify the ways of promoting and protecting human rights. (K5)
3 -	Discuss power relationships and roles of diverse actors, including civil society. (K4)
4 -	Explain public policy implications, particularly as they relate to Egypt in the Middle East as well as global contexts. (K11)

b.Intellectual Skills: :

1 -	Determine measurement criteria to differentiate between two texts. (I3)
2 -	Evaluate information. (I5)
3 -	Analyze texts through graphic organizers. (I1)
4 -	Implement their knowledge. (I2)
5 -	Prepare proposals and presentations to predict content using visuals. (I4)

c.Professional and Practical Skills: :

1 -	Run different soft skills by oral, written, presentations and visual means in a professional way. (P1)
2 -	Implement technical reports according to professional standards. (P6)

d.General and Transferable Skills: :

1 -	Carry debates effectively with people about globalization and ways of promoting and protecting human rights. (T4)
2 -	Communicate effectively with others. (T2)
3 -	Participate in small teams and be able to work individually. (T2)
4 -	Present any of the key themes of the course. (T4)
5 -	Use and discuss topics based on the readings. (T3)
