

Faculty of Economics and Political Science

Foreign Policy Analysis

Information :

Course Code : PSC 400

Level : Undergraduate

Course Hours : 3.00- Hours

Department : Department of Political Science

Instructor Information :

Title	Name	Office hours
Lecturer	Nilly Kamal Mohamed Hussnin Elamir	

Area Of Study :

This course stresses on the relational context between foreign policy and international relations. This is carried out whilst conducting a thorough analysis of policies processes on all of the following levels: 1) the individual level of analysis putting special focus on political leaders and actors, 2) the state level of analysis through the functions of state institutions, bureaucracies and the people and 3) the system level of analysis concentrating on interactions between the states on the international level. In light of this, students practice critical analysis of the before, during and after phase of foreign policies and the impact these phases have on states particularly on their domestic policies and popular support.

Course Goals:

- Enable students to focus on the individual, domestic and international factors which lead to foreign policy decision-making.
- Comprehend and analyze certain decisions made in foreign policy and the foreign policy tools which were utilized in these decisions.

Description :

This course stresses on the relational context between foreign policy and international relations. This is carried out whilst conducting a thorough analysis of policies processes on all of the following levels: 1) the individual level of analysis putting special focus on political leaders and actors, 2) the state level of analysis through the functions of state institutions, bureaucracies and the people and 3) the system level of analysis concentrating on interactions between the states on the international level. In light of this, students practice critical analysis of the before, during and after phase of foreign policies and the impact these phases have on states particularly on their domestic policies and popular support.
