Description :

This course presents the scientific methods of reasoning used to understand the characteristics and the current problems in political and social life. It helps to understand basic concepts and methodologies. It helps to identify appropriate research topics. It also discusses the identification of the research problem and preparing the project proposal.

Course outcomes :

a. Knowledge and Understanding :

1 -	Understand how to use the scientific and methodological tools.
2 -	Comprehend and deal with complex research issues in order to communicate their scientific results clearly for peer review.

b. Intellectual Skills :

1 -	Develop hypothesis and methodology for research.
2 -	Critically evaluate current research and propose possible alternate directions for further work.

c. Professional and Practical Skills :

1 -	Apply the academic methods on the any political, economic, social issues or any case study.
2 -	Create academic proposal and research paper.

d. General and Transferable Skills :

1 -	Develop writing, oral, teamwork and leadership skills.
-----	--

2 -	Gain confidence and know how to work towards solutions.
3 -	Understand the process of Methodological knowledge and technical know-how.

Course Topic And Contents :

Topic	No. of hours	Lecture	Tutorial / Practical
Introduction: Overview of the Course Requirements & Syllabus	3	1	
Scientific Thinking	3	1	
Proposal Steps Research Problem Research Hypothesis Literature Review	9	3	
Research Methods and Approaches	9	3	
Tools of Analysis: Quantitative and Qualitative Tools	3	1	
Mini Research Paper	6	2	
Citations	6	2	
Final Presentation		1	

Teaching And Learning Methodologies :

Demonstration videos
Presentation
Simulations
Debates
Group discussion
Research Paper

Course Assessment :

Methods of assessment	Relative weight %	Week No	Assess What
Course Work (Attendance, Participation, Assignments, Quizzes, Research Paper & D	30.00		To assess understanding, and to assess theoretical background of the intellectual and practical skills.
Final Exam	40.00	15	To assess knowledge and intellectual skills.
Midterm Exam (S)	30.00		To assess professional skills.

Course Notes :
