

Faculty of Oral & Dental Medicine

General Pathology

Information :

Course Code : SGS 372

Level : Undergraduate

Course Hours : 3.00- Hours

Department : Faculty of Oral & Dental Medicine

Instructor Information :

Title	Name	Office hours
Professor	Essam Ezzat Ayad Ibrahim Dos	24
Professor	Essam Ezzat Ayad Ibrahim Dos	24
Professor	Essam Ezzat Ayad Ibrahim Dos	24
Lecturer	Eman Ibrahim Sadik Elgendy	
Lecturer	Eman Ibrahim Sadik Elgendy	

Area Of Study :

ÇTo familiarize students with the basic disease patterns and their underlying. Mechanisms within the specific organ system as step to preparing the student for his future work as a dentist.
ÇTo promote life long competencies necessary for continuous professional development

Description :

Cell injury and metabolic disturbances, Irreversible cell necrosis,Inflammation,introduction disease etiology, repair (healing & regeneration), and circulatory disturbances.

Course outcomes :

a.Knowledge and Understanding: :

1 -	Define and discuss the main disease categories that may affect the body
2 -	Describe the morphologic (gross & microscopic) changes occurring as a
3 -	Determine the fate & complications of each particular disease and outline

b.Intellectual Skills: :

1 -	Predict the signs and symptoms of a disease based on the underlying gross
2 -	Interpreting in a professional manner an oral pathology report.

c.Professional and Practical Skills: :

1 -	Describe the pathologic picture of a disorder based on gross or
2 -	Choosing the most appropriate cost effective pathologic diagnostic
3 -	Selecting the necessary techniques for sample reception & processing

d.General and Transferable Skills: :

1 -	Express themselves freely and adequately by improving their descriptive
-----	---

2 -	Respond appropriately according to the seriousness of the pathologic
3 -	Maintain a professional image in manner, dress, speech and interpersonal

Course Topic And Contents :

Topic	No. of hours	Lecture	Tutorial / Practical
Pathology and its related disciplines	4	Pathology and its related disciplines	
Technical Pointers on sample handling,	4	Technical Pointers on sample handling,	
sending,processing	4	sending,processing	
reporting as well as quality	4	reporting as well as quality	
control of surgical biopsy material	4	control of surgical biopsy material	
Cell injury	4	Cell injury	
Cell, accumulations & depositions	4	Cell, accumulations & depositions	
Inflammation	4	Inflammation	
repair	4	repair	
Immune response	4	Immune response	
nonspecific infections	4	nonspecific infections	
Specific infections-granuloma	4	Specific infections-granuloma	
Fluid & hemodynamic disturbances	4	Fluid & hemodynamic disturbances	

Teaching And Learning Methodologies :

General Lectures
Tutorials
seminars
small group discussions

role playing
case studies
Practical sessions
Histopathology slide lab
Museum of pathology

Course Assessment :

Methods of assessment	Relative weight %	Week No	Assess What
Final Written Examination	25.00		knowledge and understanding.
Mid Term Examination	30.00		assess knowledge and understanding
Mid Term Practical Examination	20.00		assess descriptive & diagnostic abilities and theory application
Oral Examination	10.00		
Practical Examination	15.00		descriptive & diagnostic abilities and theory

Course Notes :

ÇDepartment Book available at faculty bookshops & in the department:
Principles of general & special pathology parts 1 & 2 ñ color atlases of
Gross pathology and Histopathology G. Nada et al.
ÇMultiple sets of slides to be used during the histopathology sections

Recommended books :

Principles of general & special pathology parts 1 & 2 ñ color atlases of
Gross pathology and Histopathology G. Nada et al
Basic Pathology by Kumar, Cotran & Robbins
systemic pathology J.C.E underwood 3rd edition livingstone
